Toddlers to Class XII

Mrs. Usha Mehta, Director

Indus Valley World School situated at 488 Ajay Nagar, EM By-Pass, Kolkata - 94, is a co-educational Eng.Med. School affiliated to CBSE upto class XII and it is a school with a difference, committed to make a difference in society, through excellence in education. The school, though was founded only in 2008, grew in leaps and bounds under the able guidance of Mrs Usha Mehta, a great educator and visionary. The pursuit of excellence in all myriad dimensions is a relentless passion at IVWS. You can witness this in the magnificent infrastructure and the lovely surroundings. You can experience it in the warmth of the people with whom you interact. Students can feel it when they are engaged with teachers who are focused on shaping minds and creating thinkers. At IVWS there is a formidable combination of educational opportunities that can shape careers and transform the ordinary into extraordinary. The inaugural batch of students appeared in CBSE Class X Examination in 2013, did very well and we are delighted that a few of them succeeded to get A1 in all subjects. Now that IVWS has been, recognized by CBSE for Class XI & XII (all three streams) students need not worry about seeking admission elsewhere. It's also an exciting news that ISO has awarded IVWS with their 9001:2008 and ISO 14001:2004 certification.

Come to IVWS, come to where mind and matter coalesce into a seamless continuum and turn life into a rich tapestry,
One that you, your family and friends would be proud of.
